

Statement from Carrick-on-Suir Motor Club.

19/11/2010

We are disappointed to have to resort to issuing a statement on this issue but feel it necessary to clarify the matter and put an end to the mis-information being posted on the following rally forum: <http://www.rallyforums.com/forum/>

On our initial dates application for the first draft we did apply for the 31/10/2011, which is the same, date as our 2010 event without realising the move of the bank holiday hence the move of the Fasnet Rally. We immediately contacted MI to change this application to the 22/23 Oct only to again realise this date clashes with a round of the Forestry Championship. We finally proposed the 6/11/2011 to MI on the 3/10/2010 by email (see copy of same below) but for some reason this did not appear on the 2nd draft at the CAC of 14/10/2010.

We hope this fully clarifies the situation and puts an end to the mis-information and rumours being stated.

Regarding a final date for the Carrick-on-Suir Motor Club's Historic Stages Rally for 2011 we have asked Mr Frank O Mahoney chairman of the AMMC to convene a meeting between the associated clubs to find a suitable date for all concerned. The date that will be printed in the 2011 calendar, which is gone to print, shall remain provisional until a resolution has been found. Once the date is agreed it will be posted on our website www.carrickonsuirmotorclub.com and hopefully the December / January MI bulletin.

END

Subject: Re: Change of date for Historic Stages Rally

Attention: CAC / Dates for 2010

Further to my recent request to have the date for our Historic Stages Rally changed for 2011, we have now been informed that a counting round Of the Forestry Championship is due to take place on the revised date we requested i.e. 22nd & 23rd October, we now wish to apply for Saturday 5th and Sunday 6th November 2011. For our Historic Stages Rally.

We apologise for any inconvenience caused.

Regards

Ann Fitzgerald
