1. Introduction & Work of Thanks

Thank you for your interest in the 2015 Donegal Forest Stages Rally. This event guide has been produced to assist you in the lead up to the event, to finalise those last minute details regarding the event. The organising team are looking forward to welcoming you to Bundoran next, for the second round of the Valvoline Forestry Championship and the second round the DMC Bassets Plumbing and Heating Championship.

The organising team would like to take this opportunity to thank everyone who has assisted us since that bitter cold day in late January when a call was made to postpone the event. In particular we wish to thank Motorsport Ireland, Coilte, fellow Motor Clubs, the Valvoline Forest Championship Committee, the Allingham Arms Hotel and all other bodies associated with the running of the event.

This document has no regulatory power . It is for information purposes only.
