Welcome to the Limerick forestry Stages Rally 2018 in association with Treaty Plant and Tool Hire Limerick.

Thank you one and all for entering and supporting the event for the second time.

The Yard of old Mogul mines Silver Mines is the Site for HQ for the rally. {N52 47 37.144 ----- W8 16 19.127}

Reseed forms to be in no later than 18:00.

On arrival in Service area **ALL VEHICLE'S AND TRAILERS** must unload and park trailers in designated trailer park this will be arrowed and marshalled. Due to the high numbers entered in the event this has to be done to allow for space for all crews to service in the yard.

Scrutiny will take place in the same Site as service from 15:00 to 19:00 there is no service vehicle's or trailer allowed in this area.

Mechanical scrutiny is by request only on Sunday morning, with prior arrangement with the Clerk of the Course and the chief scrutineer.

Change in officials
Chief scrutineer changed to Sean Cahill
MI steward changed to Michael Boland

Drivers briefing will take place on Sunday 25th March at Rally office @ 08:30 and compulsory for all crews as per regulations.

FCD out of Parc Ferme @ 09:05 this is to allow for time for refuel before heading to stage 1. All this time is built into the time and distance to stage 1.

All Competing cars to be serviced on ground sheets.

Final control will be at Parc Ferme on Sunday evening.

First car due @ 16:42

Due to the location of the event just a note of advice in regards to approaching the event via the M7 motorway. I would highly recommend traveling to junction 27 at Birdhill to head to the service area. This will also allow access to refuel shopping and restaurant facilities at the motorway service station due to the remote nature of the service area and to facilitate Managing traffic approaching the site. There is a very small local shop/petrol station in the townland of Dolla 5mins from service area.

We look forward to seeing you all in on Saturday.

Yours in motorsport

Kieran Ambrose

Clerk of the course
