18th / 19th September 2021

National Supplementary Regulations

FOREWORD

Dear Competitor,

It gives me great pleasure to present to you the regulations for the O'Connell Group "20" International Rally 2021, which takes place on the 19th Sept.2021. We are to delighted to announce a new title sponsor to the event in the O'Connell Group. We would like to express our sincerely thank Eamon & Paul O'Connell of the O'Connell Group for their commitment and support of the event, both competitors themselves and members of the Munster Car Club, which is a testament to their commitment and involvement in the sport, we look forward to working with the O'Connell Group to ensure the continued success of the O'Connell Group Cork "20" International rally.

We would also like to express our sincere thanks to our associate sponsors, Acesigns and CB Toolhire who through their respective principals Neil Phelan and Colin Byrne continue to support the event which is vital to the continued success of the event.

We would also like to thank the Cork Marts Facility, Rathcormac and Kartworld, Watergrasshill for the use of their excellent facilities as Service Parks over the course of the rally weekend.

We are also delighted to continue the events association with the Radisson Blu Hotel, Little Island, Cork as the event Headquarters which is a magnificent and fitting HQ base for the event.

We also acknowledge the support of our many other sponsors – their support is greatly appreciated.

This years event is somewhat of a milestone in that it represents a return to closed road stage rallying after close on an 18month layoff due to the ongoing Covid-19 pandemic. It would be remiss of the organisers not to recognise the invaluable input and assistance from many stakeholders from Motorsport Ireland, Cork County Council, Emergency Services & Gardai without whose assistance and guidance it simply would not have been possible to stage the event within such a short timeline of organisation. The event will be operated and guided by the current guidelines and recommendations to ensure the safety of all involved and we would ask all involved, competing and attending to be conscious at all times of the safety of yourselves and others.

A massive word of gratitude must go to the residents on the stages, as we are all unfortunately acutely aware of, the country and world have gone through difficult times over the last 18months, and we are extremely grateful to the residents along the route for the positive and welcoming support we have received in relation to the rally closing the roads in their locality. We sincerely thank them all.

The event will take a different format from that historically associated with the Cork "20" International Rally, in the event will be based around a 1-day format in an effort to get the sport up and running, there will also be a "soft return to the sport" initiative in the form of a shakedown stage on the eve of the event to allow interested crews re-familiarise themselves.

Finally, we the Munster Car Club would like to thank you – "The Competitors", without your entry and support this event quite simply could not progress and we thank you sincerely and wish you all a very safe and enjoyable and successful event.

On behalf of the Munster Car Club, we look forward to greeting you all at the Rally HQ Radisson Blu Hotel, Little Island, Cork , and at the Service Parks over the course of the weekend.

Kevin O'Riordan

Clerk of the Course, O'Connell Group Cork "20" National Rally 2021

ARTICLE 16 - REGROUPING CONTROLS, REST HALTS

- 16.1 Regrouping Controls may be set up along the route. Their entry and exit controls shall be subject to the general rules governing the control posts. The purpose of these regroupings will be to reduce the intervals, which may occur between crews as a result of late arrivals and/or retirements. Thus, the starting time from the regrouping control and not its duration must be taken into account.
- 16.2 On their arrival at these regrouping controls, the crews will hand the official their time card and possibly the sheets for the special stages covered. They will receive instructions on their starting time. They then must drive their car immediately and directly to the Parc Ferme. The starting order shall be that of the arrival.

- (a) However, if the scrutineers note that a vehicle seems to be in a condition which is not compatible with normal road use, they must immediately inform the Clerk of the Course thereof who may request that the car be repaired.
 - (b) The minutes used for such repairs may be considered as the same number of minutes lateness registered on a road section. They may therefore be taken into consideration for the calculation of the exclusion. After repairs have been carried out, the crew shall possibly be given a new starting time.
 - (c) In no case may the time used for the repairs exceed the allowed time before a car is penalised by exclusion. If this time is exceeded exclusion shall be announced.
- 18.3 By way of exception and under the supervision of the competent Marshal the crew may, while in the Parc Ferme, at the start, regrouping zone or end of leg:

- These repairs must be completed before the starting time; otherwise a penalty shall be imposed in accordance with the provisions laid out under.
- 18.4 As soon as they park their car in the Parc Ferme the drivers will leave the Parc Ferme and no member of the crew will be allowed to re-enter it.
- 18.5 To leave a Parc Ferme for the start, regrouping halt or end of leg the crew shall be allowed to enter the Parc Ferme 10 minutes before its starting time.
- 18.6 If a crew is unable to present its car with the engine running:

- (a) at the exit of the starting areas, regrouping points or end of leg, a thirty second penalty shall be imposed. This penalty shall not count towards exclusion.
