

Double Drivers

Double drive cars must display a sticker provided by the organisers. The sticker should be a black "D" on white background to be placed on top of the windscreen or middle of the bodywork in front of the driver for single seaters. There is a dedicated double driver changeover area.

Driver

Only one person is allowed in a competition car at any time during the event, including in the paddock.

Competition Numbers

Number must be clearly visible on both sides of the car. Registered Hillclimb & Sprint competitors are asked to state on their entry form their registered number. Non-registered competitors will be provided with a number by the organizers. Only the race number that you are running with on the day of the event is to be visible on your car. All other numbers are to be covered up or removed. The onus is on double drivers to make sure that the correct number is on the car before they get to the start line.

Paddock

Overnight parking will be available at a location near the course on the night of the 11th of March. There shall be no holding of spaces for any competitors. You must always obey the paddock marshal's instructions. **No parking areas will be sign-posted. Please do not park in these areas as it will aid in the efficient running of the event.**

Double drivers shall be accommodated but will have to make themselves known to the paddock marshal who will have a list of the double drives. Waste bins will be provided in the paddock. Two sets of toilets will be available in the paddock area.

Practice and timed runs

Each competitor must undertake only one practice run & no practice re-runs will be allowed.

On event day, no competitor will be allowed on the hill after the road is closed.

Finish

The finish line is indicated by chequered flag boards. After crossing the finishing line competitors must reduce speed as quickly as possible within the distance of the 3-2-1 boards.
